To Whom It May Concern:

I've been asked to write a letter on behalf of the bikes that "iCan Shine Inc." provides for the annual bike camp that they've been holding at Soka University of America for several years. I am the Soka University of America contact who has worked with the Down Syndrome Association of Orange County for all of the years that they have been on-site for this event. In addition to this being a great event, I can attest to the fact that I've not seen any damage as a result of the bike camp that is primarily held in our Recreation Center (aka Gymnasium). Further, I checked with our Athletics Department to ensure that they mirrored the same sentiment. They, too, indicated that they have not seen any visible damage.

If you have any questions, and/or would like to speak with me, I can be reached at 949-480-4082 or via email at [fmonroe@soka.edu](mailto:fmonroe@soka.edu).

Thank much.

Sincerely,

A handwritten signature in blue ink that reads "Faelynn Monroe".
