Dear Friends,

Family Soup, presenting with Rabobank, Yuba City Parks and Recreation Department and Yuba City Unified School District have partnered with local businesses throughout the region to bring a very unique and life changing camp to the Yuba-Sutter region for the eighth year.

iCan Bike is a 5-day camp that teaches children, teens and young adults with disabilities how to ride a two-wheel bicycle. Please visit icanbike.org and visit our website page at www.familysoup.org/ican for more information and videos about this great program. Follow us on Facebook at www.facebook.com/icanyc

iCan Bike is more than just a bike-riding program. For many children with disabilities, learning to ride a bike is a seemingly impossible task that they can typically master in less than a week's time during this camp. Within days of learning to ride, many children exhibit independent behaviors for the first time ever. This achievement, in turn, creates a gateway of opportunity, helping them gain assurance and self-reliance in many other aspects of their lives. Based on statewide averages from the center for Disease control, the Yuba-Sutter region has nearly 10,000 residents who live with a disability of some kind.

By becoming a supporter of Family SOUP's Yuba City iCan Bike camp, you will be giving campers immediate results with lasting effects. You will be giving a child a chance to grow in the independence and confidence that comes from achieving the monumental goal of riding a bicycle. For families you will be giving them an opportunity to see the impossible become possible; a priceless gift to them to see their son or daughter do an activity where they once believe it would never happen.

The table below, and the informational sheet on the back, outline donor opportunities and ways for you and your organization to get involved. Please consider sponsoring this camp, which will help change lives forever. We have a January 31, 2018 deadline for sponsorship commitments in order for your logo to be included on our promotional materials. Feel free to contact me directly with any questions you may have.

Gratefully,

Jesana Tran,
